# Custom Redesigns

**What do you have in your jewelry box that you no longer wear?**

**Do you have an earring that is lonely and is no longer a pair?**

A treasured bracelet that is missing a stone or bead, and you aren't sure how to fix it?

A necklace that's outdated, but you don't have the heart to part with it?

It sounds like your jewelry could use a makeover.

I love transforming jewelry and giving them new life

**Don't Recycle, Upcycle.**

About Page

## Vintage, Unique, Affordable

32 years of custom design experience in each Shell's Belles piece

### VINTAGE

All of the jewelry I sell are unique pieces that range from the years 1940-1970.

Some are whole pieces, and others come to me with the need for some creativity, love, and care.

If only the jewelry could talk, so many stories to tell.

When I can procure pieces from the original owners, I love to share the stories of the pieces with you.

## UNIQUE

One of a Kind - Shell's Belles Jewelry are all unique vintage costume jewelry.

You can't find a single one duplicated at any store.

The jewelry is remastered, reimagined, and redesigned.

I bring new life to jewelry that has been forgotten.

Be the Belle of the ball with custom, unique, upcycled pieces in your jewelry wardrobe.

## AFFORDABLE

Shell's Belles Jewelry are beautiful, and affordable - priced just right for any budget.

You'll find the pieces are perfect for any occasion, whether you are looking for elegant, casual, quirky, or professional to add to your style.
